

TWO ESCAPEES FROM SING-SING (THE)

Franco and Ciccio are in New York and, by chance, save the life of Attanasia, who is the local underworld boss. As a reward he decides to make Franco a great boxer (and Ciccio his "second"). Franco wins many fixed fights and, later on, also a fight that he should have lost. Attanasia, who had made a bet on Franco's defeat, is killed by another gangster. Our two heroes are sent to prison.
