

# YOU'LL SAY "I KILLED IN SELF DEFENCE"

A man who is cynical and craves for his wife's money devises a plan that forces his wife to betray him with one of his stooges. The plan fails because the wife finds out about the plot and kills the false lover. The husband reaches the place of the crime and is forced to save his wife by telling her to say that she acted in self-defense, so as to cover up his own shady plot.
